Customer has been informed of the following requirements regarding equipment placed on the job site.

1. The equipment should be left operating at all times. Do not move equipment unless you contact the SERVPRO® Franchise identified below regarding handling procedures. Turning equipment off will increase time required to dry structure and contents and may cause damage.
2. A water-damaged dwelling should maintain a temperature setting that promotes ideal drying conditions. Leaving windows or doors open during dehumidification or setting air conditioning too low may increase drying time and damage structure and/or contents.
3. Should customer have any problems with the equipment, shut it off immediately and call our office at _____ as soon as possible.
4. Customer is responsible for damage to, and/or loss of, this equipment while it is in customer's care and custody, including but not limited to loss caused by theft, vandalism or disappearance.
5. It is the customer's responsibility to allow personnel access to customer's location to check on and pick up the equipment.
6. The above equipment may be picked up between the hours of _____ a.m. and _____ p.m. Monday through Friday excluding holidays.
7. The equipment will be connected to the electrical system in customer's dwelling/structure. Customer warrants the integrity and safety of the electrical system in the dwelling/structure. It shall be the customer's responsibility to have the electrical system inspected and serviced by a qualified electrician if necessary.
8. The customer agrees to hold the SERVPRO® Franchise below, its Franchisor and their respective officers, directors, employees, agents and affiliates harmless and indemnify it from any and all claims, including costs, expenses and attorney's fees, resulting from the improper use of the equipment by the customer and/or any defects in the electrical system or plumbing system in customer's dwelling/structure.

Customer, _____, and Provider (SERVPRO of Woodcrest/El Cerrito/Lake Mathews) acknowledge receipt of the above documented equipment in good working order.
